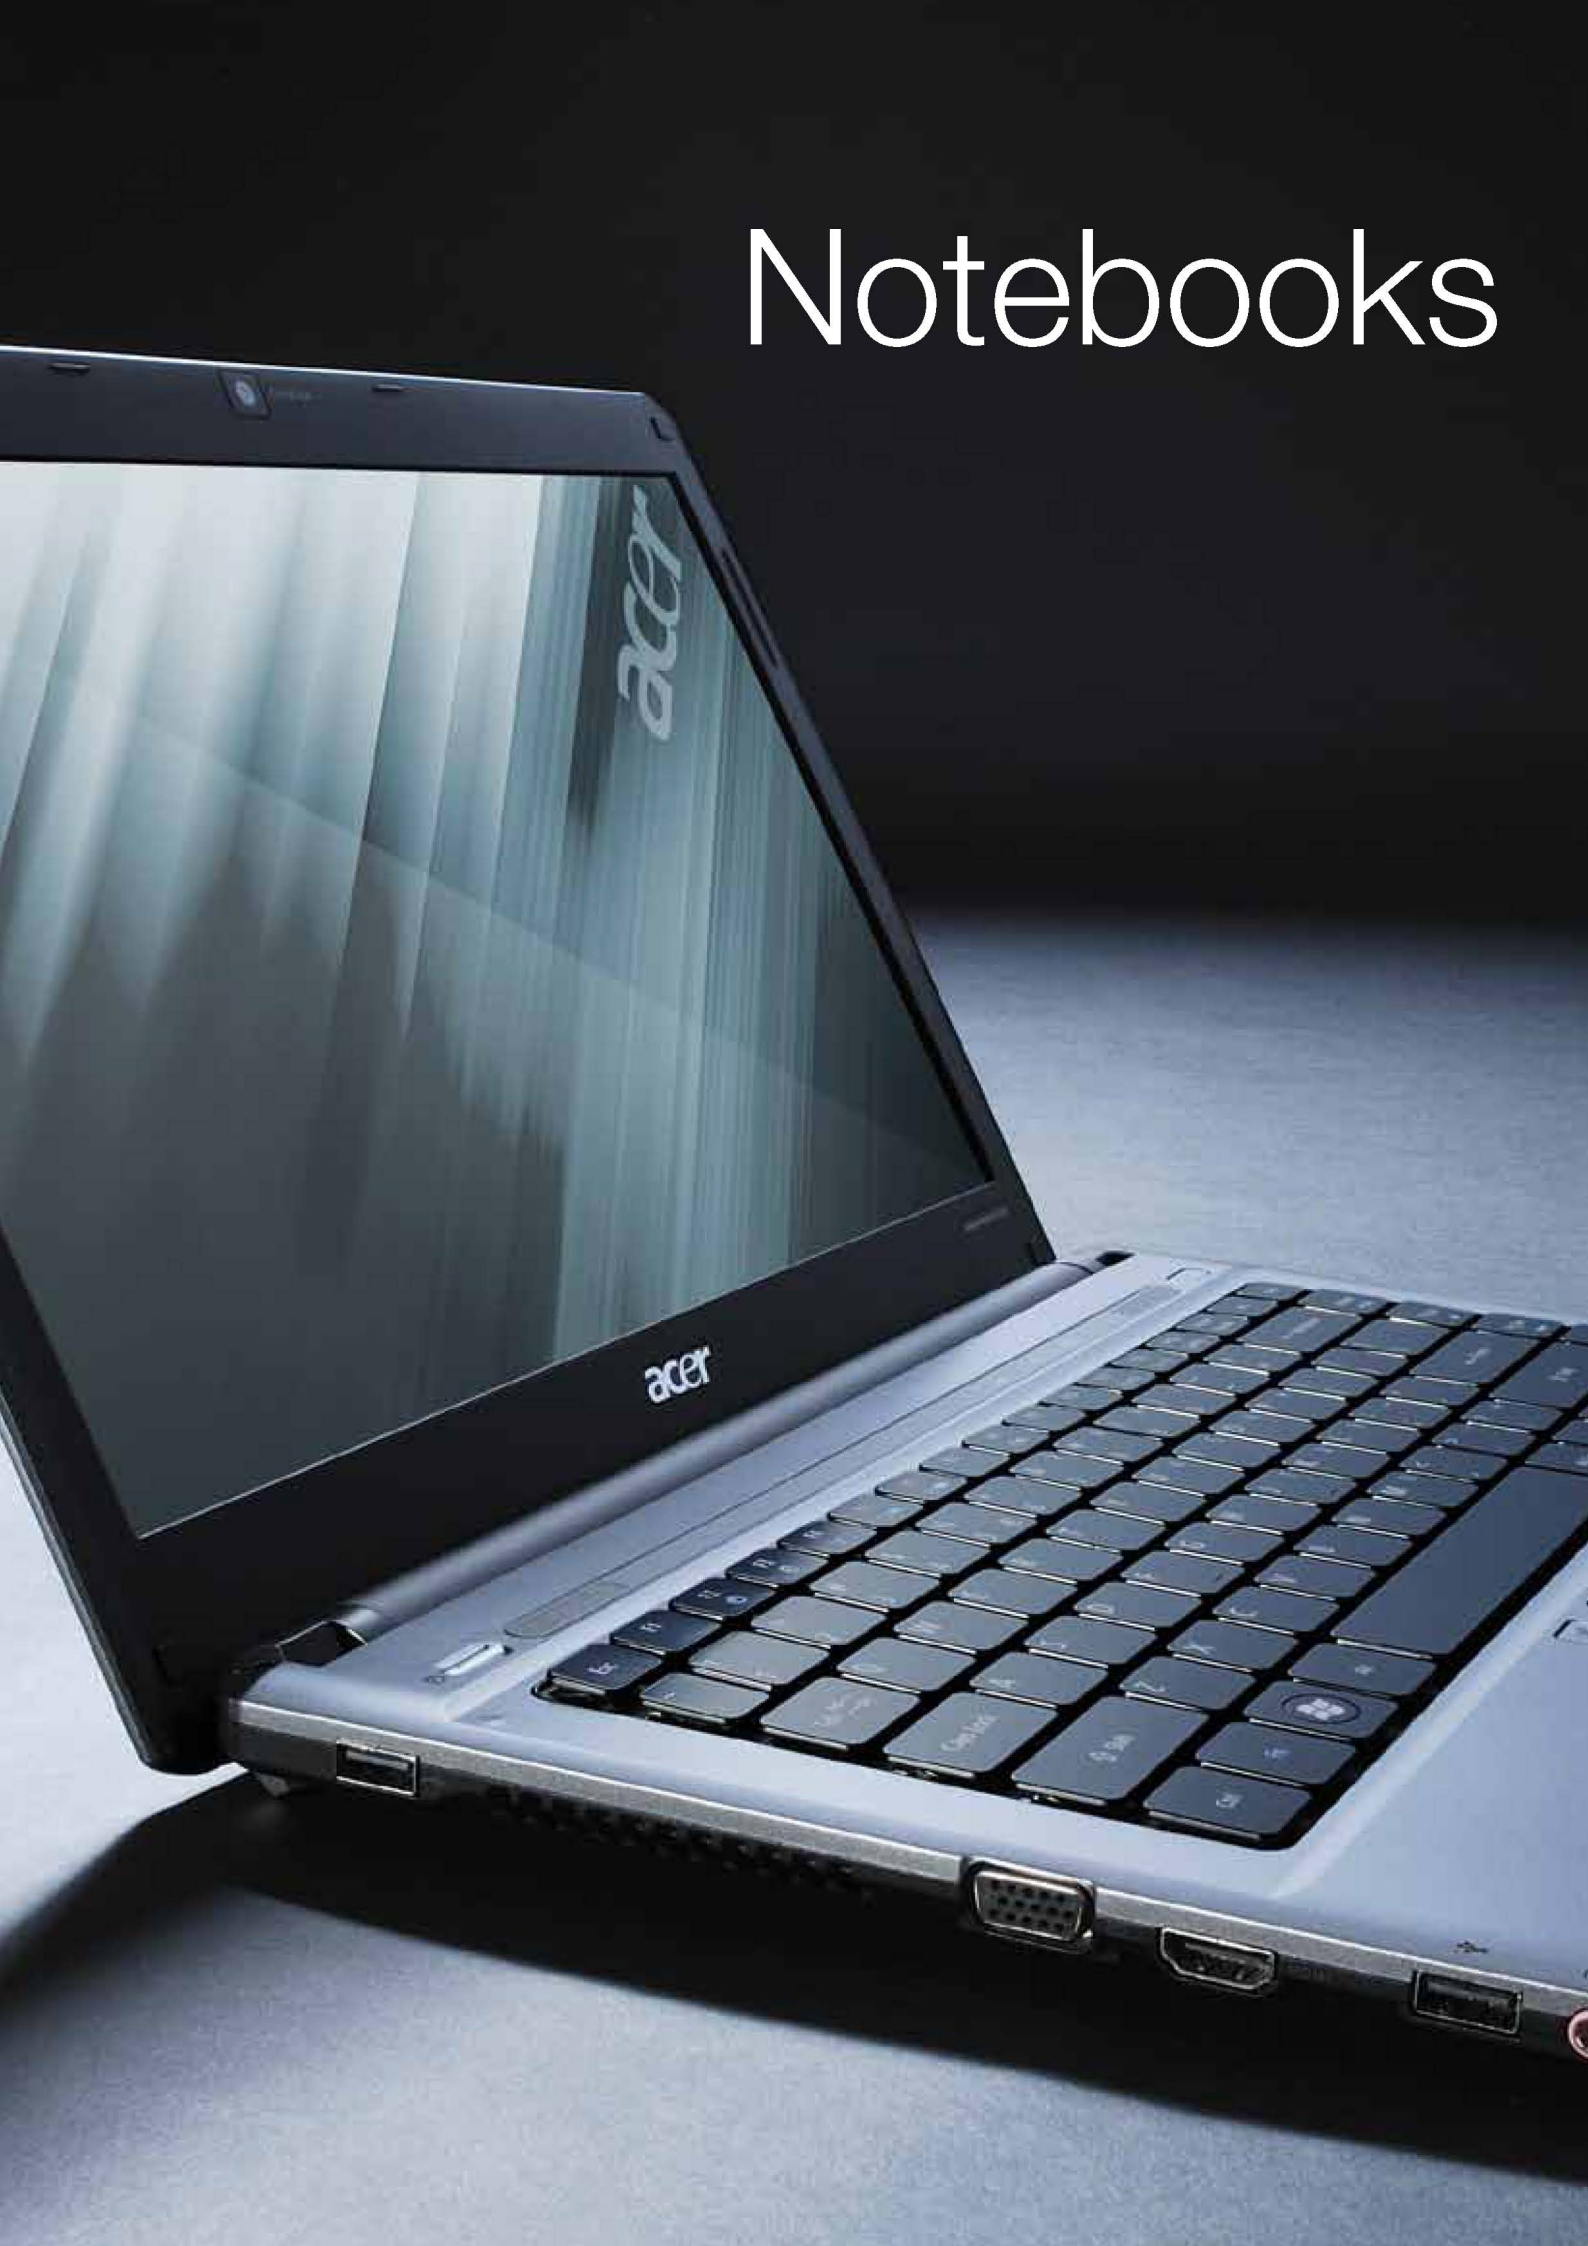
Notebooks

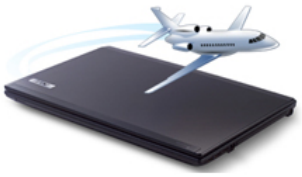


TravelMate TimelineX

The TravelMate TimelineX Series features 8+ hours of battery life1, 2 in a highly mobile design with efficient processing power, wide-ranging communication capabilities, and indispensible security solutions to maximize your potential while on the move. To top it off, these notebooks are hazardous-substance-free and integrate energy-conserving features to help save cost and the environment.

On-the-go productivity

Designed for your on-the-move business needs, the TravelMate TimelineX can handle 8+ hours without needing to be plugged in. A port replicator provides splendid expansion, streamlines cable management, and allows multiple devices to run at the same time.



Designed to travel

A slim and lightweight design makes carrying easier, while enhanced anti-shock technology insulates the hard drive and data from the bumps of daily life. Acer Thermal Comfort technology keeps the processor and notebook casing cooler, so you can use it on your lap comfortably.

Efficient performance, environmentally sound

A quick and power-efficient processor plus impressive graphics will help you make convincing business presentations. What's more, the TravelMate TimelineX Series is free of hazardous substances, and meets EPEAT® Silver, RoHS, WEEE and ENERGY STAR® standards to protect the environment.

Multiple communication options

While on the go, receive all your emails and do business transactions with Wi-Fi® connectivity. For fast wireless file transfers and sharing, connect to other devices using Bluetooth® technology. Face-to-face business conferences are possible anywhere with the built-in webcam.
